Fire Wards' Report.

The Fire Wards respectfully submit the following report:

During the past year the town has been very fortunate. There have been no disastrious fires, but a great many still alarms on account of chimney fires.

These have in all cases been extinguished with the pony extinguishers and they have certainly proven a valuable aid.

The company appeared on parade May 30th, by invitation of Hermon Shedd Post, G. A. R.

They also appeared in the parade with all apparatus at the celebration, July 4th.

Report of Cemetery Trustees.

During the past year we have continued the improvements commenced some years ago on the new section of the cemetery. A substantial bank wall has been nearly completed on each side of the brook, and the grounds have been brought to a much better grade on both sides of the driveway.

This adds much to the general appearance of the vacant land between the two cemeteries. A number of lots in the new cemetery have been cleaned, fertilized, graded and reseeded. Special attention has been given to those lots for which friends have given funds for their perpetual care.

Throughout the whole year, special effort has been made to keep the grounds in a neat and tidy condition. Parties, who wish to select a lot in the new cemetery, would do well to make a selection at their earliest convenience, while there are desirable ones available.

As shown by the report of the treasurer, quite a sum has been expended for general improvements in both cemeteries the past year.

Report of Riverside Park Trustees.

During the year the underbrush and a few undesirable trees have been removed from the park, and benches, tables and wharves constructed, so as to make it a convenient place for family picnics and popular recreation. On July Fourth the park was used as a center in connection with the elaborate local observance of the holiday.

Thanks are due to the Greenville Woman's Club for generously defraying part of the expenses of the improvement and maintainance of the park.

As ordered by vote of the town, Representative Metcalf introduced at the present session of the General Court, a bill authorizing the annexation of the park to Greenville. This measure, which was referred to the committee on towns, was opposed by citizens of New Ipswich, and the matter was finally referred to the session of 1913.

STEPHEN H. BACON,
TYLER E. GALE.
HENRY P. GAINEY,
Trustees of Riverside Park.

Auditors' Report.

We have examined the accounts of the following town officers: Selectmen, Town Treasurer, Fire Wards, Cemetery Trustees, Library Trustees, School Board and School Treasurer, for the year ending February 15, 1911, and find them correctly cast and properly vouched.

We find that the Road Agent's bills rendered to the Selectmen correspond with the town orders issued to him.

W. B. GRAHAM,
GEO. C. ROBBINS,
Auditors.

Report of

SCHOOL BOARD

of Greenville, N. H.

School Board's Report.

To the Citizens of Greenville:

We herewith present the following report of the Schools for the past year.

The schools opened March 14, 1910 with the same efficient corps of teachers that we had the year before. Miss Walker being prevented by illness from teaching the first week, Mrs. Doonan substituted for her.

Changes were necessary in the intermediate room, soon after the commencement of fall term, as Miss Walker's health would not permit her to continue the work. Both Miss Batchelder and Mrs. Doonan substituted until Miss Edith Shedd took the position the last of October.

Instruction in drawing has continued under the supervision of Mrs. Fannie A. Wheeler. Music also has been taught as usual, during the spring term under Miss Stevenson; through the fall and winter terms under Miss Batchelder.

The schools have been in session thirty-seven weeks, making a gain, of one week, over previous years. The number of pupils vary from term to term, but average about 115.

There are now eight grades, as the opportunity came, when the division in the seventh could be discontinued. One half day only has been lost on account of severe weather. April fifteenth was given to the teachers for visiting other schools. Fast Day,

Memorial Day and Washington's Birthday were holidays.

Arbor and Memorial days as well as Lincoln's and Washington's birthdays have been appropriately observed. A Thanksgiving recess together with a Christmas vacation have been given as usual.

A sand-box has been placed in the upper primary room to be used in demonstrations, and books have been added for school work as needed.

According to our custom in recent years we have paid our proportion of the expense of No. 6 school in Mason.

On Sunday June 12, 1910 Rev. Tyler E. Gale delivered the Baccalaureate sermon to the graduading class. The Baptist church uniting with the Congregational for the service.

On June 17, 1910, graduation was held in the school building. The following pupils received diplomas, awarded by Mrs. Lena H. Wheeler: Exilda F. Boulay, Margaret T. Buckley, Helen H. Davis, Mary T. Drinan, Stephen J. Hogan, Mary C. Logan, Lester A. McLean. Edith M. Sherberno, M. Fostina Silvernail, Doris M. Wheeler, Edith L. Wilson. On the same day closing exercises were held in all the schools, over one hundred people being present.

The duties of truant officer have been faithfully performed for many years by Henry I. Whitney, up to the time of his death in May.

On September 5, Wm. H. Doonan was appointed by the Board to fill that position, and, in accordance with the state laws,

made the enumeration of children in Greenville, as follows:

Number of children between the ages of 5 and 16,	323
Boys,	154
Girls,	169

Of this number about fifty do not regularly attend school on account of age or sickness.

Sixteen pupils are now attending Appleton Academy, fourteen being undergraduates. The full amount now being allowed by the state is paid for tuition.

Two demonstrations of daily work have been held. In the upper and lower primary rooms, preceding the Thanksgiving recess; in the intermediate and grammar rooms, before the Christmas vacation. This gave an opportunity for everyone to become acquainted with the excellent work that was being done, as well as the methods enployed.

The following pupils are entitled to a place on
